## BE UNIQUE

When it comes to glass packaging, your product stands out or blends in by the quality and unicity of the design. We can help turn your vision into reality. From fully custom to embossing on standard bottles, we can assist you throughout the entire process to enhance your brand. It is also possible to personalise closures and packaging boxes to complement your branding.

## SHIPPING AND DELIVERY

Whether you need bulk or cased bottles, we've got you covered! For bulk shipping, bottles are perfectly aligned on pallets to avoid any breakage during transport. Bottles shipped in boxes are protected by spacers that are placed between each bottle.

All our shipments are carefully stretch-wrapped to ensure their safe delivery. Most orders will be shipped out 48 hours after they are placed.
